## Salesian Sisters of St. John Bosco

## Friend a Sister

Our Sisters' hearts are full of love for all their friends, young people and those most in need. When you **Friend a Sister**, you are embraced by all our Sisters, thus having the prayerful support of our whole community. Experience positive encouragement and the virtue of friendship when you **Friend a Sister**.

Salesian Sisters of all ages participate in this program and your donations will support the needs of our Sisters. When we receive your Friend a Sister form, we will send you a brief biography of the sister you friended with her contact information. You can friend and sponsor one Sister or multiple Sisters.

The Salesian Sisters invite you to open your hearts in a deep spiritual friendship to grow in Christ. Friending a Sister will strengthen your spiritual life while contributing to the vitality of the Sisters and their daily needs.
